

Sanctuary

Be inspired, be one with nature.

We all have an innate connection with the elements, and are inherently happier around nature. This concept of biophilia is what inspires the Sanctuary theme, bringing Nature inside to create an ambience of serenity.

NOTE: PRESENTED DESIGNS ARE FOR INSPIRATION AND VISUALISATION PURPOSE. FINAL DESIGN WILL BE PREPARED AS PER YOUR REQUIREMENT.

01/ *Green Turf*

To bring alive the spirit of the Sanctuary theme, this design uses green tiles and wood-like elements like ACP sheets instead of veneer for sustainability.

Additionally using cost-effective tiles that work well with city-sized bathrooms, and laminates in the same palette for doors and the vanity. Black canvas CP fittings add a bold accent to the theme.

Health Faucet Matt Black

02/ Palm Breeze

In this Sanctuary theme, wood tones and leafy palm print tiles create a calm forest ambience. Colours like browns, greens and greys represent natural elements like timber, foliage and stone.

The look uses practical tiles for a city-sized bathrooms, with veneer and PU paint sheets for the vanity and door. The complementing ceiling uses a wood-like PVC plank, both reasonable and durable compared to conventional wood. Gold canvas CP fittings elevate the theme.

03/ Woodlands

This forest-themed bathroom uses enduring materials in the spirit of the Sanctuary theme. Tropical designer tiles adorn the vanity wall with an LED lit, pebble bed below the vanity, and wooden rafters to highlight its ceiling. An artificial vertical garden extends the natural feel while wooden plank tiles in a fishbone pattern emphasise the shower wall. The look is completed with gold faucets and beige sanitary ware from the Canvas range.

04/ *Forest Grove*

his intimate Sanctuary design uses close-to-nature colours and textures. Like natural slate stone tiles in the dry area as a highlighter, and leafy tiles to give the wet area a forest look.

The vanity is accented with wood-like elements while a seamless flooring is calmly inviting.
