

CHARCOAL LOUVERS

Stellar Vega | Stellar Leo | Stellar Aura

Charcoal Louvers by Beautiful Homes are decorative panels made of a mixture of charcoal and polystyrene, that offer a highly superior, resilient, and cost effective alternate to real wood panelling. These panels are characterized by a fluted or grooved surface texture, which consists of parallel, evenly spaced vertical channels or ridges. We have more than 150 design options ranging from wooden, stone, pastels and metallic textures.

Panel Size : 2400mm x 125mm
Panel Thickness : 11-18mm

Easy to Install

Termite proof

Light Weight

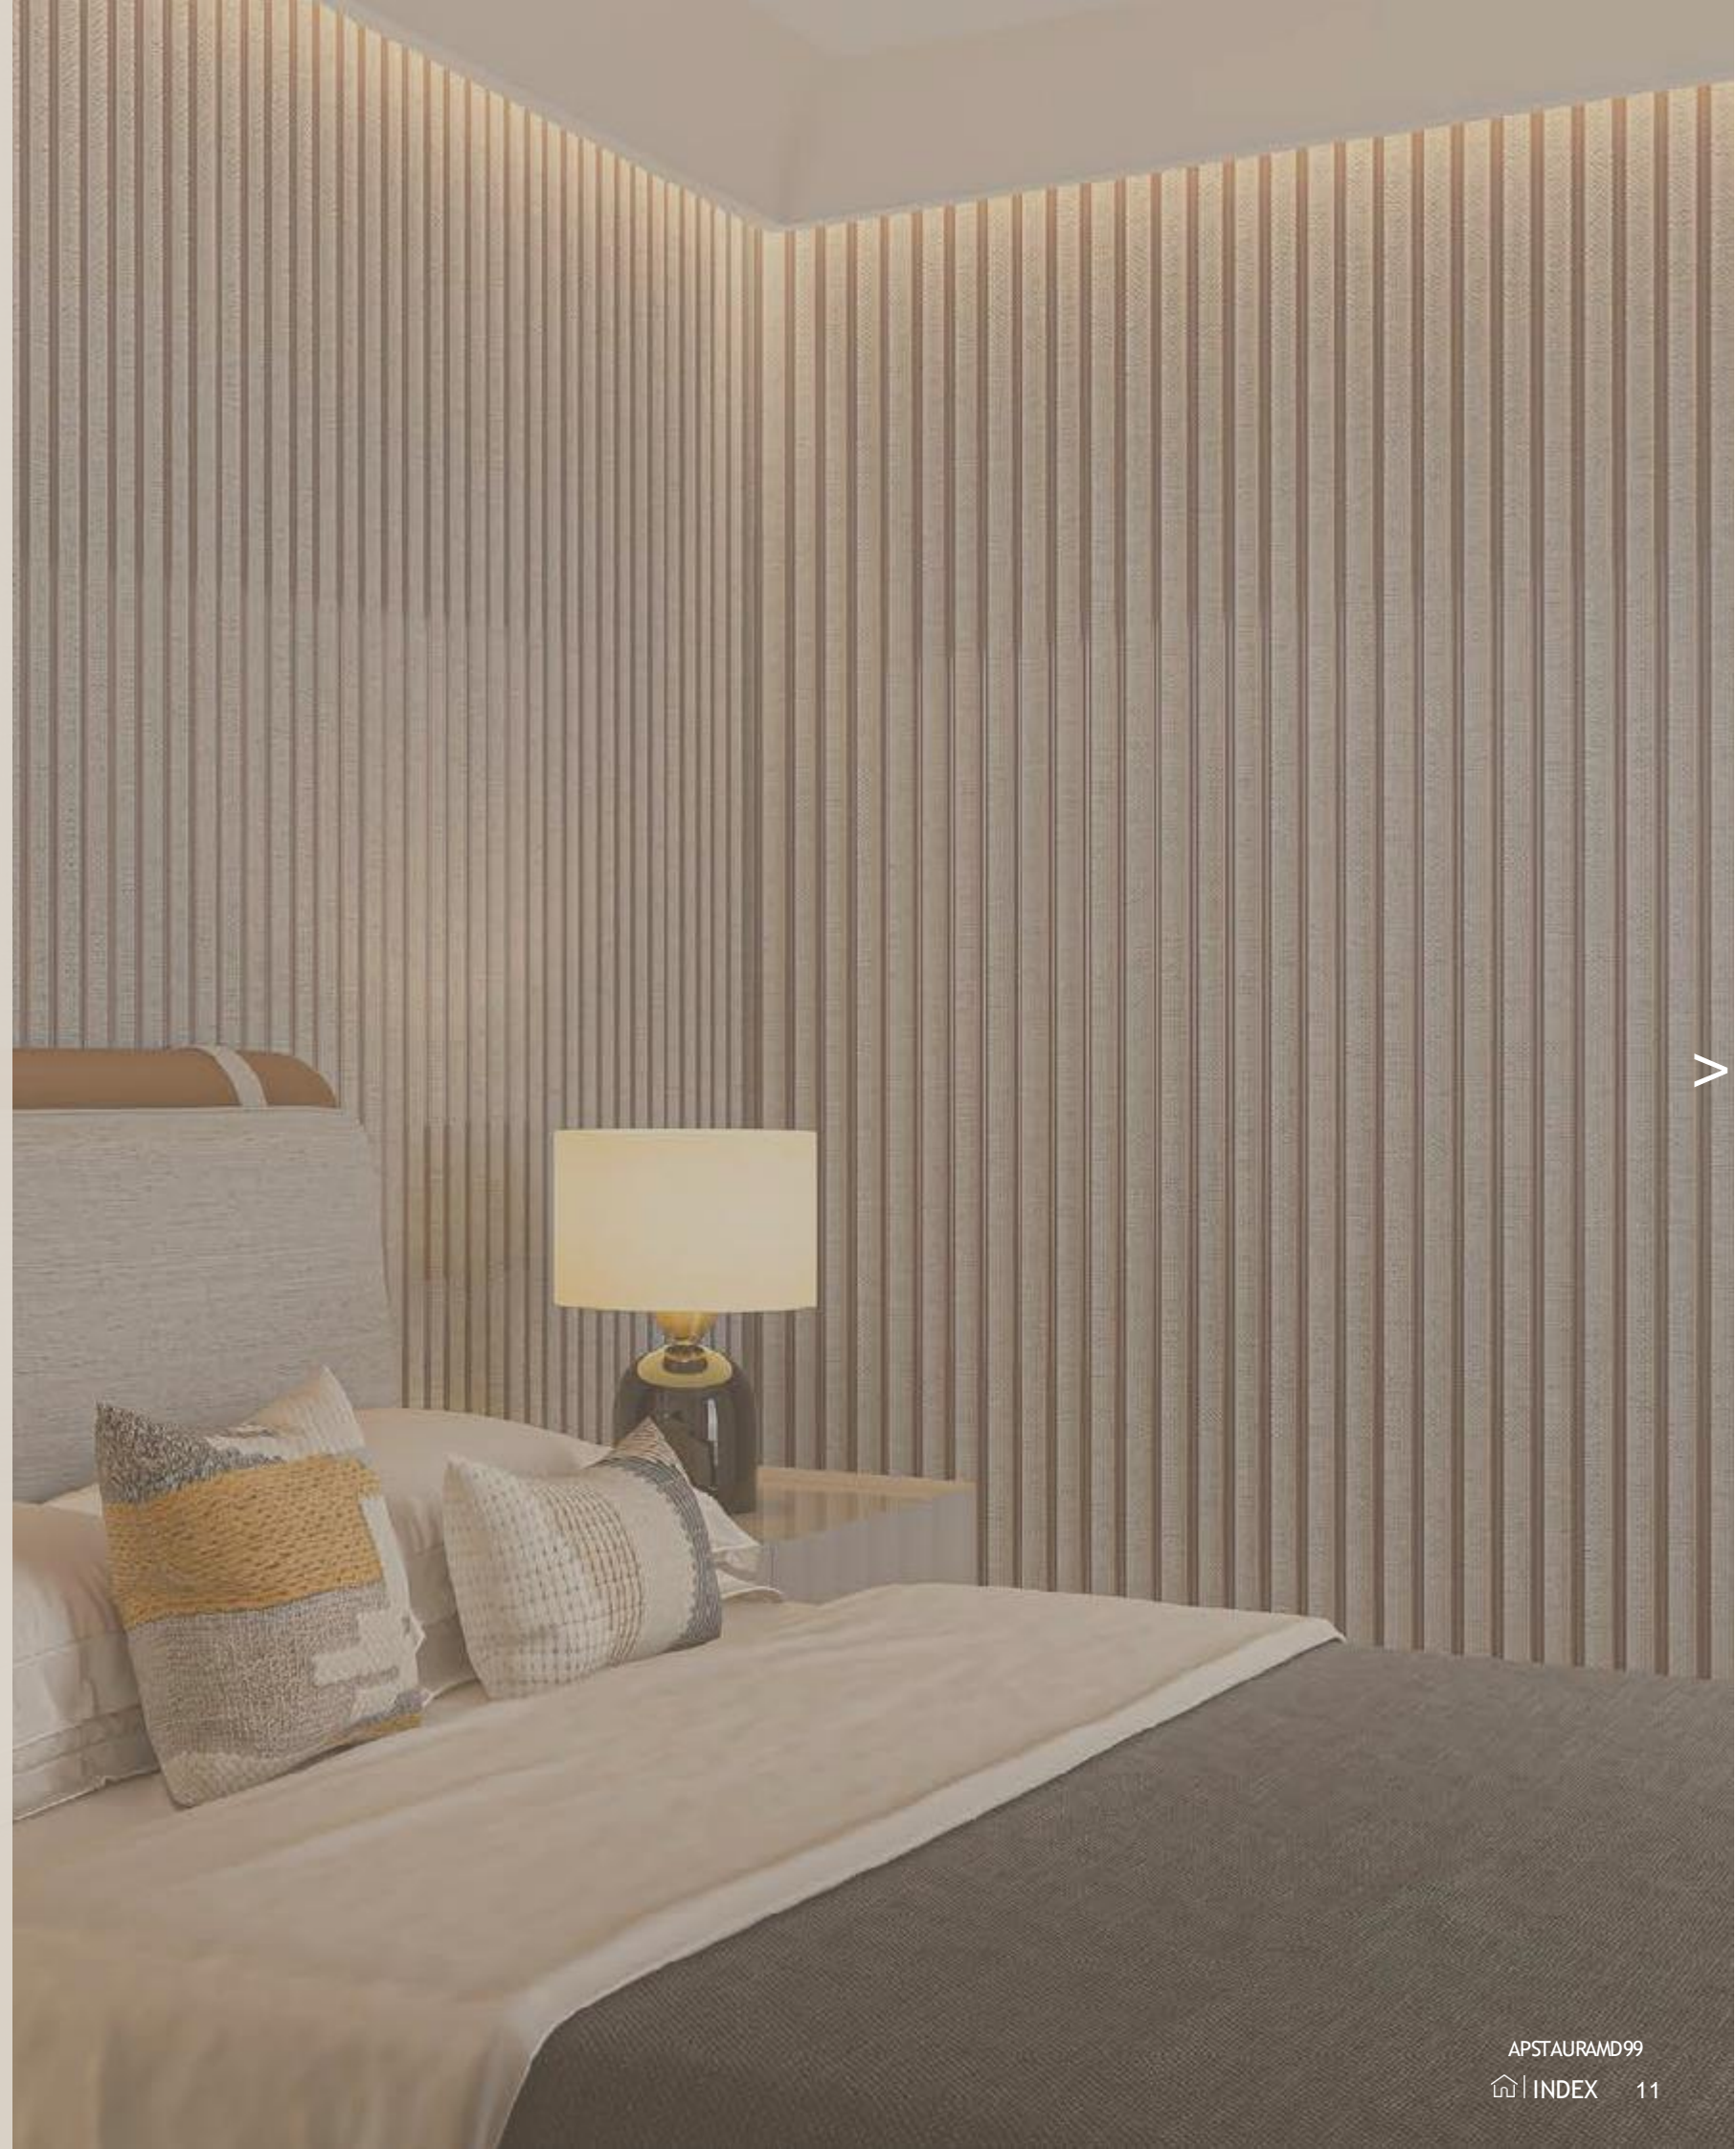

Easy to Maintain

Water proof

150+ Design options

STELLAR VEGA

Stellar Vega collection offers elegantly designed panels that are remarkably superior, resilient, and cost-effective alternative to authentic wood paneling. They bring a contemporary touch to your home, adding linear aesthetics and reimagining traditional Indian homes with a modern twist that seamlessly complements various settings. These Panels are ready for installation, with complete resistance to water and termites, ensuring exceptional durability.
